EB-5 INDUSTRY FORUM

SPONSORSHIP GUIDE

ABOUT IIUSA

Founded in 2005, Invest in the USA (IIUSA) is the national membership-based 501(c)(6) not-for-profit industry trade association for the EB-5 Regional Center Program (the "Program"). Our members account for the vast majority of capital formation and job creation in the U.S. resulting from the Program.

A core component of the Associations operations is to provide members and the EB-5 industry as a whole with business development, marketing and educational opportunities throughout the year. To that end the associations hosts industry trade shows, international banquets, publishes a bi-annual magazine, hosts webinars and produces information videos all of which offer unique sponsorship and marketing opportunities!

THE FORUM

For the past eight years, the IIUSA EB-5 Industry Forum has brought together leading economic development professionals for three days of networking, business development and education.

The EB-5 Industry Forum is the leading business development event for the Regional Center Industry. The Forum brings together professionals from across the spectrum of economic development and investment immigrations.

WHAT TO EXPECT

In-depth education regarding the most important issues facing the EB-5 Industry coupled with numerous networking and business development opportunities during the conference, exhibit hall, and evening receptions.

The tower is illuminated from within, showing its distinctive saucer-shaped observation deck and the lattice structure of its legs. The sky is a mix of orange, yellow, and blue, indicating a sunset or sunrise. The city lights and silhouettes of trees are visible in the lower portion of the image.

SEATTLE, WA

The EB-5 Industry Forum is the year's premier EB-5 conference that focuses on education and business development at a global scale. We welcome more than 300 EB-5 industry stakeholders to forge our future during this pivotal time for the EB-5 industry. Join us as we share the latest industry insights; provide educational opportunities and resources; and network and conduct business development, with new Allied Partners and economic development professionals!

WHY SUPPORT?

The EB-5 Industry Forum is a core component of the annual event calendar for IIUSA. As the only not-for-profit representative of the EB-5 Regional Center Program, your support of this event ensures that the association is able to deliver critical educational, advocacy and public relations support for your industry.

Sponsors, attendees and partners are true champions of the EB-5 program committed to industry best practices.

WHY SEATTLE?

Seattle is the site of the association's first-ever EB-5 Industry Forum. We are excited to be returning to the vibrant city of Seattle for this year's event. One of the largest cities on the West Coast, renowned for its seafood, museums and easy access to nature, Seattle is a strong draw for visitors from throughout the United States as well as Asia and beyond.

Seattle is one of the largest destinations for EB-5 capital investment in the country. According to our latest economic impact data, the state of Washington itself ranked as the 5th largest EB-5 market with over 17K jobs created and \$883 million in EB-5 investments between 2014-2015.

Home to dozens of IIUSA members and many shining examples of the EB-5 Program, we could think of no better city for this year's event. In fact, our conference venue, the Embassy Suites Downtown Pioneer Square, was financed by EB-5 investment. The hotel is within easy access to everything that Seattle has to offer including Pike Market, Pier 55, the Seattle Art Museum and much more.

We hope you are able to join us this year for what promises to be a great event in the Emerald City.
