- Stimulate economic development and job growth in the United States.
- Advance and maintain Regional Center industry standards and best practices.

ARTICLE II
MEMBERS

Section 1. **Qualifications and Dues.** The Association shall have two classes of members. “Regional Center” members are in an ownership or executive management position with Federally Designated (Active) Regional Centers. “Associate” members are attorneys, economists, other consultants or individuals, not in an ownership or executive management position with a nonmember Regional Center, who have an interest in advancing the EB-5 immigrant investment program. Members will retain membership so long as they pay the applicable annual membership dues as set herein at \$4,000 for Regional Center members, \$3,000 for Non-Profit or Government-Owned Regional Center members and \$2,500 for Associate members. The dues amount shall pay for a 12 month period of membership from the date of payment. Any changes in the membership dues amounts shall be recommended by the Board of Directors, but must be approved by the members as a Bylaw Amendment. Members may receive a discount on their annual dues in the amount of 20% of referred membership revenue for the previous year, but not to exceed 50% of annual dues owed. IIUSA maintains sole discretion to refuse, sanction, suspend, and/or revoke membership in accordance with Best Practices policies set forth in Article II, Section 6.

Section 2. **Meetings.** The Association shall hold an annual meeting of the members to elect Officers and Directors and to conduct such other business as may properly come before the members. The meeting will take place at a time and place (including by telephone) selected by the Board of Directors. Notice of the meeting will be sent to all members at least three weeks prior to the meeting. The notice shall comply with the provisions for notice of meetings of the Board of Directors as set forth in Article II.

Section 3. **Quorum and Voting.** Unless greater proportion is required by law or these bylaws, ten percent (10%) of the members constitute a quorum for the transaction of business or of any specific item of business. Except as otherwise provided by statute or by these bylaws, the vote of a majority of the members present at the time of the vote, if a quorum is present at such time, will be the act of the members. If at any meeting less than a quorum is present, the members present may adjourn the meeting until a quorum is obtained.

Section 4. **Action by Members.** Any action required or permitted to be taken by the members may be taken without a meeting if all members entitled to vote consent in writing to the adoption of a resolution authorizing the action. The resolution and the written consents thereto by the members will be filed with the minutes of the proceedings of the members. Any one or more members may participate in a meeting of members by means of a conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other at the same time. Participation by such means constitutes presence in person at a meeting.

Section 5. **Committees.** Each year at the annual meeting, the President will appoint the Chair of all standing Committees, with appointments lasting until the annual meeting of the following year. Committee volunteers who accept the appointment from Committee Chairs must adhere to IIUSA Committee policy or risk losing their seat on said Committee. No later than 45 days after appointment, committee chairs are responsible for informing the President in writing of the members appointed to the committee and the mission for the year ahead. Similarly, no later than 45 days prior to the annual meeting, each committee chair must submit a progress status report of committee activities to the President. Each Committee member must be a member in good standing of the Association or an employee or representative of such an Association member. The President may remove a committee chair for cause at any time with majority vote of the Board of Directors.

Section 6. **Best Practices.** All members are responsible for reviewing and understanding IIUSA approved best practices policies, as listed on the "IIUSA Approved Best Practices" page on the Association's website (www.iiusa.org/en/iiusa-approved-best-practices/), including "Code of Ethics and Standards of Professional Conduct Enforcement Procedures" (or any updated version of such procedures).

Section 5. **Removal.** Any Director may be removed at any time with or without cause by a vote of a two thirds (2/3) majority of the Board (excluding any Director who is subject of such vote, if applicable) at any meeting of the Board conducted pursuant to these bylaws provided at least one week's notice is given to the entire Board of Directors then

The Executive Director shall serve without employment contract under terms and conditions established by the Board of Directors or with an employment contract not to exceed the term of the current President.

Section 9. **Non-voting Advisory Officer.** Any Officer or Director who has completed at least one term a particular office, and is no longer serving in another position on the Board of Directors, is eligible by appointment of the current President for non-voting membership on the Board of Directors indefinitely, unless removed by a two third (2/3) majority vote of the Board of Directors. Individuals who serve at least three consecutive terms as President of the Association, upon completing the time in office, will be honored as “President Emeritus” and serve in a non-voting capacity on the Board of Directors indefinitely, unless removed by a two third (2/3) majority vote of the Board of Directors.

Section 11. **Board of Directors Meetings.** Meetings of the Board may be held at any place (including by telephone) as the Board may from time to time fix, or as specified in the notice or waivers of notice thereof. The annual meeting of the Board shall be held in conjunction with and immediately following the annual membership meeting and the election of the Officers and new Directors for the ensuing year, and the Board shall hold no less than three (3) other regular meetings during the year. Section 13. **Notice of Meetings.** Notice of the time and place of each regular or special meeting of the Board, together with a written agenda stating all matters upon which action is proposed to be taken and, to the extent possible, copies of all documents on which action is proposed to be taken, will be mailed to each Director, postage prepaid, addressed to the Director at the Director's residence or usual place of business (or at such other address as the Director has designated in a written request filed with the Secretary), at least seven days before the day on which the meeting is to be held; provided, however, that notice of special meetings to discuss matters requiring prompt action may be sent to the Director at such address by telegram, electronic mail, given personally or by telephone, or facsimile, not less than forty-eight hours before the time at which such meeting is to be held, unless the meeting must be held within forty-eight hours. Notice of a meeting need not be given to any Director who submits a signed waiver of notice whether before or after the meeting, or who attends the meeting without protesting, prior thereto or at its commencement, the lack of notice. No notice need be given of any adjourned meeting.

Section 14. **Quorum and Voting.** Unless greater proportion is required by law or these bylaws, a majority of the entire Board constitutes a quorum for the transaction of business or of any specific item of business. Except as otherwise provided by statute or by these bylaws, the vote of a majority of the Directors present at the time of the vote, if a quorum is present at such time, will be the act of the Board. If at any meeting less than a quorum is present, the Directors present may adjourn the meeting until a quorum is obtained. Written proxies received by the President designating other Board members for a specific meeting will count for quorum purposes.

Section 15. **Action by the Board.** Any action required or permitted to be taken by the Board or by any committee thereof may be taken without a meeting if all members of the Board or the committee consent in writing to the adoption of a resolution authorizing the action. The resolution and the written consents thereto by the members of the Board or committee will be filed with the minutes of the proceedings of the Board or committee. Any one or more members of the Board or any committee thereof may participate in a meeting of the Board or committee by means of a conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other at the same time. Participation by such means constitutes presence in person at a meeting. Minutes of proceedings of the Board and any committee, with detailed voting records, will be maintained and made available upon request to any and all members.

Section 16. **Compensation.** Any Officer or Director of the Association is authorized to receive reasonable compensation for professional services or reimbursement of documented expenses rendered for expenses duly authorized by the Board of Directors in advance and when authorized by two-thirds of the Board of Directors and only when

so authorized. No salary will be paid to Officers and Directors for serving as Officers or Directors on the Board.

The Association shall at all times maintain, at the Association's expense, a policy of directors' and officers' liability insurance in an amount not less than \$1,000,000 per occurrence, covering all Directors and Officers, current and previous. No Director or Officer shall be liable for or required to pay any deductible, premium or other cost or expense associated with such insurance policy.

ARTICLE VIII AMENDMENTS

ARTICLE IX CONFLICTS OF INTEREST, CONTRACTS AND SERVICES OF DIRECTORS AND OFFICERS

Section 1. **Disclosure.** Immediately upon election or appointment to the Board, all Directors must disclose in writing any potential, perceived, or actual interest that arises from their service on the Board that may pose conflict of interest questions. Disclosure will include any interest, financial or otherwise, in any corporation, organization, or partnership which provides professional or other services to the Association or an ownership interest in any other Regional Center which may impact the eligibility of individuals who wish to serve on the IIUSA Board. Disclosure statements will be available to any Director of the Association on request. When any matter comes before the Board or any committee of the Board in which a Director has an interest, that interest must be immediately disclosed to the Board or Committee.

Section 2. **Definition of "Interest".** Whether a Director has an interest in a matter shall be determined by whether that person or their family would derive an individual economic benefit, either directly or indirectly, from the decision on the matter by the Board or committee. An "interest" is not intended to include positions on legislative matters of general impact. A conflict of interest may also arise if a Director or their family member serves as a volunteer, employee or director of an organization eligible to receive grants from the Association.

Section 3. **Voting.** Directors shall not vote on any matter in which they have an interest.

Section 4. **Non-Participation.** The Board, by majority vote, may take appropriate action to avoid any conflict, including having the Director abstain in voting, abstain from participation in discussion, or resign from the Board.

Section 5. **Attempts to Influence.** Directors shall not attempt to influence other Directors regarding matters in which they are interested, without disclosing that interest.

ARTICLE X
NON-DISCRIMINATION

In all of its dealings, neither the Association nor its duly authorized agents shall discriminate against any individual or group for any reasons including, but not limited to, race, ethnicity, gender, sexual preference, disability or religion.

ARTICLE XI
EXPENDITURE RESPONSIBILITY

Section 1. **Purpose of Contributions.** The Association shall have the power to make contributions and to render other financial assistance for its charitable purposes.

Section 2. **Power in the Board of Directors.** The Board of Directors has exclusive control over contributions, grants and other financial assistance given by the Association. The Board of Directors will review all requests for funds, which must be in writing and must specify the use to which the funds will be put. If the Board of Directors approves a request for funds, only the Board may authorize payment of such funds to the approved recipient. Any action in this regard may be overturned or revoked by a majority vote of the membership at the next annual meeting or may be suspended by a majority vote of the members submitted by written ballot within sixty (60) days of the action of the Board of Directors.

Section 3. **Refusal: Withdrawal.** The Board of Directors, in its absolute discretion, has the right to refuse to make any request for contributions, or to render other financial assistance, for any or all of the purposes for which the funds are requested. In addition, the Board of Directors, in its absolute discretion, has the right to withdraw its approval of any grant at any time and use the funds for other charitable purposes consistent with the Association's purposes.

Section 4. **Grants to Other Organizations.** The Board of Directors may make contributions to any organization organized and operated exclusively for charitable, scientific or educational purposes within the meaning of § 501(c)(3) of the Code or to any individual who adequately demonstrates that the use of the funds will further the charitable goals of the Association. Such an organization may be either a domestic or a foreign organization. If the Board of Directors approves funding to another organization for a specific project or purpose, the Association may solicit funds for the grant. However, contributions received by the Association from such solicitations are regarded as for the use of the Association and not for the grantee organization.

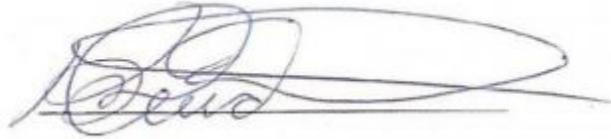

Section 5. **Accounting Required.** All grantees must furnish a periodic accounting to show that the funds were expended for the purposes that were approved by the Board of Directors.

Section 6. **Restrictions on Contributions.** The Association retains complete control and discretion over the use of all contributions it receives. Contributions received by the Association from solicitations for specific recipients shall be regarded as for the use of the Association and not for the organizations for which the funds were solicited. The Association refuses to accept contributions earmarked exclusively for allocation to one or more foreign organizations or to any individual.
