### *International Events*

The IIUSA Global Banquet Series (GBS) launched in 2017 and brings together IIUSA members and EB-5 professionals from around the world for an evening of premier EB-5 networking & business development. In 2018 we were honored to host events in Mumbai, Ho Chi Minh City and Seoul and we are looking forward to a full calendar of international events in 2019. ### *Domestic Conferences*

The IIUSA EB-5 Advocacy Conference and the EB-5 Industry Forum are IIUSA's cornerstone events focused on providing EB-5 stakeholders from around the world with first-class business development, education and networking opportunities. In 2018 we were proud to introduce another event to our calendar, the EB-5 Industry Achievement Banquet, held in conjunction with the EB-5 Advocacy Conference, which served to highlight IIUSA member and industry success across the country.

We hope you are able to join us for what promises to be another great slate of domestic events in 2019. A past event sponsorship guide can be reviewed here:
