

WE WANT YOU AS AN IIUSA MEMBER

The Association to Invest In the USA (IIUSA) is a trade organization of active EB-5 Regional Centers, attorneys and other EB-5 related service providers. IIUSA is also the single most recognized voice coming from within the EB-5 community. We need your support, your assistance and your commitment to ensuring that voice is heard not only by Congress and the President by way of a permanent extension of the Regional Center Pilot Program but also by all the various stakeholders within our industry.

There is no better time than now to join. IIUSA's Annual Meeting and EB-5 Regional Center Advocacy Conference will be held May 10th 2011 in Washington D.C. The Membership Committee of IIUSA invites you to join us at The Liaison Capitol Hill, an Affinia Hotel for a new members open forum. The time and location is still to be determined. This will allow you the opportunity to ask questions and learn about all of the benefits of IIUSA membership. For those of you who are interested in membership but are unable to attend feel free to contact the Membership Committee for more information.
