

IIUSA

ASSOCIATION TO INVEST IN USA

Creating Jobs Through Investments.

IIUSA is the 501(c)(6) not-for-profit trade and advocacy organization for the EB-5 Regional Center Program. Its core Members are active, federally designated EB-5 Regional Centers. Other Program stakeholders, such as, but are not limited to, economists, attorneys, financial advisors, broker/dealers, and other related service providers are able to join IIUSA as Associate Members. IIUSA's mission is to make the EB-5 Regional Center Program a permanent tool of 21st century economic policy through representation in government and public affairs and promotion of industry best practices focused on regulatory compliance. In order for this Program to fulfill its annual promise of \$2.0B and 40,000 U.S. jobs created/saved – at NO COST TO THE AMERICAN TAXPAYER – it must be made permanent.

In exchange for your support of these efforts, IIUSA offers its Members a wealth of information in its shared resources online, discounted rates for IIUSA events, consistent updates on our efforts to make the Program permanent, other government affairs, AND MORE...
