

EB-5 Regional Economic Development Program

On Track for a Record Breaking Year of Capital Formation and U.S. Job Creation in FY2012!

Each I-526 represents an individual investor making a minimum investment of \$1M or \$500K with an economic impact of over ten U.S. jobs. On 5/1/2012, USCIS reported 2,101 approved I-526 petitions in the first two quarters of FY2012. A full year at this rate will be approximately 4,200 I-526 petitions.

At this rate, the Program will account for a minimum of over \$2.1B in foreign direct investment with an economic impact of over 42,000 U.S. jobs – all at no cost to the American taxpayer.

With the unemployment rate stuck above 8.0%, it is time to permanent reauthorize the EB-5 Regional Center Program!
