

IIUSA Membership Logo *Limited License and Guidelines for Use*

2014 MEMBER

© 2014 This logo does not represent an official endorsement of any member's services, projects, or offerings.

The Association to Invest in the USA (IIUSA) will provide a limited use license of the displayed 2014 logo to any member in good standing. The logo may be used to indicate that an individual or organization is a member of IIUSA. This can be displayed on a firm's website, business cards, classified advertisements that list the name of a company or organization, or other like print/electronic promotions.

- If, for any reason, an individual's membership should lapse or be canceled, the logo must immediately be removed from any written, printed or electronic materials maintained, displayed or distributed.
- The IIUSA member logo cannot be modified, manipulated or changed in any way from its original design, nor can it be used as a feature or design element of any other logo.
- The IIUSA member logo cannot be used to imply an endorsement by IIUSA.
- The IIUSA logo will only be given to IIUSA members in good standing who have passed their 90 day application review period.

I agree to abide by these guidelines for the use of the IIUSA member logo. I understand that IIUSA reserves the right to monitor the use of the logo at all times and may request a member who is in violation of these usage guidelines to remove the logo immediately and at the member's expense. I acknowledge and agree that this limited license expires midnight December 31, 2014.
