

## 11<sup>th</sup> Annual IIUSA Membership Meeting

Wednesday April 20, 2016 2:00-5:00pm

Each spring, IIUSA members gather in Washington D.C. for the annual [Membership Meeting and Advocacy Conference](#). The meeting itself is the culmination of months of hard work from dozens of members, directors and staff and provides a platform for each and every member to have a say in the future of the EB-5 industry trade group.

Please click the [timeline below](#) to view the important dates and deadlines, and accompanying links, in PDF.

Please note that while the deadlines in the timeline are those specified by IIUSA bylaws, reports to the membership and other communications are often submitted in advance of these dates. We already have the gears turning, so stay tuned!
