

2016 IIUSA Member Reception, Dinner & Legislative Update in China

Monday November 14, 2016 | Shanghai, China | 7-10pm
Location: South Beauty Restaurant (881 Yan'an Zhong Rd)

Event Overview:

Each year, IIUSA holds a members-only banquet-style dinner to honor the support from its member and partners and also provide critical first-hand updates regarding the state of the EB-5 Program to stakeholders based in China.

In November 2015, IIUSA hosted a dinner for 50+ IIUSA members at South Beauty Restaurant. Over half of the attendees were IIUSA's migration agency members and the rest of the group consisted of project sponsor and other industry service providers.

For this year's dinner, we estimate an attendance of 75-100 people, with IIUSA inviting its 30+ migration agency members as well as Regional Center/service provider members that are either based in China or will be in China for project marketing. Non-member agents can attend by paying a \$150/person (1000 RMB).

Sponsor benefits:

- Exclusive sponsorship (max. 4 sponsors) of IIUSA's only China-based event for 2016.
- Listed as sponsor, including logo and link, in all event print and digital materials.
- Time to introduce your organization and speak to attendees.
- Option to place branded materials on the tables (marketing collateral, Table cards, napkins, etc).
- Opportunity to invite up to 3 non-member attendees.
