BANQUET OVERVIEW

IUSA is excited to once again be in Mumbai, India for our Global Banquet Series this February 28, 2018. The event, in partnership with the Global Investment Immigration Summit, will bring together leading EB-5 professionals from across the world for an evening of educational panels and networking opportunities, helping to forge crucial relationships between EB-5 professionals in India and the United States.

WHO WILL BE THERE?

We expect a crowd of 100-150 people to attend. Space at the banquet will be limited and over half of the attendees are expected to be local intermediary company representatives. The rest of the group will consist of project sponsor and other industry service providers.

WHY MUMBAI, INDIA?

According to U.S. Citizenship and Immigration Services (USCIS) data for Fiscal Year 2016, India accounted for \$177 million in Foreign Direct Investment (FDI), only behind Mainland China and Vietnam. Given the slowdown in the China market, EB-5 projects sponsors are continuing to look at India as a viable investor marketplace.
