

EB-5 Investor Market

Webinar

IIUSA's Latest Educational Resource to Provide Key Investor Market Insights

IIUSA is excited to announce the launch of its newest educational resource, the **Investor Market Webinar Series**, a digital series curated to provide our listeners with key insights into the most important investor markets around the globe.

We hope the live and interactive events prove to be a valuable addition to our in-person *Global Banquet Series* and we are excited to provide our members and industry stakeholders with another way to engage with IIUSA.

Sponsorships Now Available: \$2,500 (Members) | \$3,750 (Non-Members)

Benefits Include:

- Opportunity to participate on the IIUSA Investor Market Webinar of your choice.
- Company logo and bio placement on all webinar marketing emails, event pages and presentation slides.
- Distribution of the webinar to all IIUSA international partners including the Korean Emigration Association, Taiwan Immigration Consultants Association, WTC Sao Paulo, Investment Migration Council and others.
- Distribution of sponsor offering documents or other marketing materials to webinar attendees.
- Regular promotion of the webinar recordings on IIUSA social media.
- Prominent placement of the webinar in the IIUSA EB-5 Education Library.
- Complimentary webinar access code to be shared with clients and partners.

To learn more about sponsorship opportunities contact mckenzie.penton@iiusa.org or call (202) 795-9667.

Upcoming Webinars to Cover:

With the ever-changing EB-5 landscape this series will cover established and emerging markets as well as markets that look poised for growth. In the year ahead we look forward to providing updates on critical investor markets around the world including India, Vietnam, Russia, Turkey and Brazil, just to name a few.
