

IIUSA > INVEST IN THE USA®

AWARDS FOR
ECONOMIC
ADVANCEMENT

Congratulations to the 2019 Winners of the IIUSA Awards for Economic Advancement

Earlier this week, IIUSA welcomed EB-5 leaders to Washington, DC for the [12th Annual EB-5 Advocacy Conference](#) where we celebrated the achievements of our members and industry and advocated on behalf of the important economic development engine that is EB-5.

We kicked off this year's event with our 2nd Annual Awards for Economic Development where we presented 7 distinct awards, each of which highlighted our members' contribution to economic development and the association.

We are proud to formally recognize the winners of this year's awards, each of whom is responsible for positive and substantial contributions to the association and the EB-5 industry this past year. Without further ado please join us in congratulating:
