

IIUSA's Webinars Provide Access to Key Investor Markets Around the Globe

The Investor Market Webinar Series is the associations curated digital events developed to provide our listeners with key insights into the most important investor markets around the globe and give investors and their representative's access to industry leading education.

These live and interactive events have already proven to be a valuable addition to our in-person Global Banquet Series and we are excited to provide our members and industry stakeholders with another way to engage with IIUSA.

Sponsorships Available: \$2,500 (Members) | \$3,750 (Non-Members)

Benefits Include:

- Opportunity to participate on the IIUSA Investor Market Webinar of your choice.
- Company logo and bio placement on all webinar marketing emails, event pages and presentation slides.
- Distribution of the webinar to all IIUSA international partners including the Korean Emigration Association, Taiwan Immigration Consultants Association, WTC Sao Paulo, Investment Migration Council and others.
- Post-event follow up to all registrants to include contact information and website for all sponsors.
- Access to the registrant attendee list after the webinar, inclusive of contact information.
- Prominent placement of the webinar in the IIUSA EB-5 Education Library and complimentary webinar access for sponsor clients and partners.

To learn more about sponsorship opportunities contact mckenzie.penton@iiusa.org or call (202) 795-9667.

Upcoming Webinars to Cover:

With the ever-changing EB-5 landscape this series will cover established and emerging markets as well as markets that look poised for growth. In the year ahead we look forward to providing updates on critical investor markets around the world including India, Vietnam, Russia, Turkey and Brazil, just to name a few.
