

The background of the top half of the image shows two construction workers in silhouette, wearing hard hats and safety gear. They are standing on a construction site, with one worker reaching towards a vertical rebar. The sky behind them is a warm orange and yellow, suggesting a sunset or sunrise. The lower part of the image transitions into a solid blue background with a white geometric pattern of dots and lines.

We believe in economic
opportunity for everyone.

IIUSA Membership Guide

"I strongly recommend IIUSA to anyone active in the EB-5 industry. Being part of IIUSA has been critical to my EB-5 practice in linking me to the global EB-5 network while providing vital cutting-edge knowledge and information, while leading in the advocacy arena."

Bernard Wolfsdorf
Wolfsdorf Rosenthal LLP

Introductory Member Program

Any organization who has not previously been an IIUSA member or has not been a dues-paying member for 2+ years qualifies for 50% discount, the introductory member rate.

"IIUSA's analysis of industry data, whether it be processing times at USCIS, or determination of qualifying TEAs, has been a great resource for us. The organization's insights into investment trends and emerging markets helps us properly structure and promote our offerings."

Darrell Sanders

About Invest in the USA (IIUSA)

IIUSA, a national 501(c)(6) not-for-profit, is the unifying voice for thousands of diverse stakeholders who contribute to economic development and job growth in the U.S. through the EB-5 Regional Center Program (the Program).

IIUSA advocates for policies that will maximize economic benefit to the U.S. through the Program and we promote industry education, encourage ethical market behavior, and fight for the permanent authorization of the EB-5 Program. Our members, though EB-5, account for the vast majority of capital formation and job creation in the U.S.

Why Join

Attend. IIUSA has a strong presence in the largest international EB-5 investor markets in the world. We offer our members the opportunity to join trade missions to strategically engage with overseas migration agents and investors and attend our large annual domestic conferences.

Advocate. Share the strength of the industry's leading advocacy organization which is representing your business interests in policy formation through IIUSA's experienced government affairs team.

Engage. IIUSA committees play an integral role in the formulation of IIUSA policies and procedures. Committees are tasked with initiatives such as developing industry best practices, providing thoughtful input for engaging with government entities and supporting IIUSA's staff and advisers on efforts ranging from association building to membership growth, and everything in between.

Set the Standard. IIUSA continuously explores and publishes industry best practices to promote responsible, professional, and ethical behavior and to reinforce confidence in the EB-5 Program and the EB-5 Regional Center industry among all stakeholders.

Stay Informed. IIUSA's members enjoy a host of exclusive data and reports to stay informed on important industry trends, including USCIS processing times, approval rates, EB-5 investor market analytics, demands and usage for EB-5 visas and economic impact. In addition, IIUSA provides our members with state-of-the-art resources to identify business partners, conduct due diligence, access extensive TEA data, and more.

EB-5' Economic Impact Around the U.S.

IIUSA developed a method to estimate the economic benefits and job creation contributions of all Regional Center projects that were active during federal fiscal years 2014 & 2015 across the entire U.S. economy. The data below is referenced from the *IIUSA Economic Impact Report, 2019* peer-reviewed study"

\$23.2+ billion

EB-5 investment and Regional Center projects contributed more than \$23.2 billion in labor income for U.S. workers (wages, salaries and proprietors' income).

\$10.8 billion

in capital investment was made through EB-5 Regional Centers.

16 jobs

On average, Regional Center projects supported more than 16 American jobs for each of the foreign investors invested through the EB-5 Program.

\$55.5 billion

EB-5 investment and Regional Center projects contributed nearly \$55.5 billion in the U.S. economy in terms of Gross Domestic Product (GDP).

"Ever since we first started out as agents for EB-5 in India, we found IIUSA to be most helpful in navigating the complicated process. IIUSA has imparted in-depth knowledge with regards to the EB-5 industry and its stakeholders all across the world, which has helped us understand the industry and strive in it. We complement the entire team for being so prompt, collaborative and extremely helpful."

Jay Mehta
