# GLOBAL NETWORKING & BUSINESS DEVELOPMENT

IIUSA is pleased to present the **EB-5 Event Passport**, a new initiative focused on business development in established and emerging investor markets around the world. Each event series will be built to focus on a specific region and will feature four standalone events in close proximity to one another. The goal is simple: Connect members with investors and service providers around the world while packaging the trips together to cut down on expenses and travel time.

We invite you to learn more about our planned stops and sponsorship opportunities below. To discuss in further detail please email [info@iiusa.org](mailto:info@iiusa.org) or call (202) 795-9667.
