

GLOBAL NETWORKING & BUSINESS DEVELOPMENT

The IIUSA EB-5 Event Passport Series was developed to focus on key investor regions around the globe with a simple goal. Connect members with investors and service providers around the world while packaging the trips together to cut down on expenses and travel time. To date the series has provided business development platforms for our members throughout Latin America, India, the Middle East and Africa with new trips just on the horizon.

We invite you to learn more about our planned 2023 stops and sponsorship opportunities below. To discuss in further detail please email info@iiusa.org or call (202) 795-9667.
