ADVOCACY

IIUSA, the top advocate for the EB-5 Regional Center industry, spearheads key advocacy efforts including immigration reform, increasing visa availability, program permanency, and more. Through its experienced government affairs team, IIUSA is responsible for aiding in program reauthorization, holding USCIS accountable to strict guidelines of the RIA, and the creation of an EB-5 political action committee. IIUSA's advocacy efforts contribute to industry advancement by:

- › Ensuring program stability and long-term success.
- › Improving operational efficiency for the benefit of all stakeholders.
- › Facilitating job creation and economic development through increased EB-5 investment.

IIUSA's unwavering advocacy efforts create a favorable environment for members, bolstering their ability to thrive in the ever-evolving landscape of the EB-5 Regional Center industry.

About Invest in the USA (IIUSA)

IIUSA, a national 501(c)(6) not-for-profit, is the unifying voice for thousands of diverse stakeholders who contribute to economic development and job growth in the U.S. through the EB-5 Regional Center Program (the Program).

IIUSA advocates for policies that will maximize the economic benefit to the U.S. through the Program, promotes industry education, encourages ethical market behavior, and fights for the permanent authorization of the EB-5 Program. Our members account for most of EB-5 capital formation and job creation in the U.S.
