Election Process

IIUSA's 21st Annual Membership Meeting will take place at **3:30pm ET on Wednesday, April 29, 2026**, prior to the start of the EB-5 Industry Forum at the Hyatt Regency Capitol Hill in Washington, DC. All nominees or a proxy will have the opportunity to briefly address the membership about their candidacy. There will be no live stream or recording of the membership meeting.

Each member organization in good standing* will receive information in the coming days for how to cast their electronic vote for the election. Each member organization has a "designated voter" and that person will receive emailed instructions. Voting will open following the conclusion of the membership meeting and members will have until 3:00pm ET on April 30th to electronically cast their votes.

Each member organization gets 1 ballot to cast votes for the 3 open Director positions** and all 3 Officer positions. Members may cast up to 3 votes for the same person for each Director opening, if they choose. The Director nominees with the 3 highest vote counts will fill the open Director seats. The results of the voting will be announced on April 30th after the conclusion of programming for the day at the IIUSA EB-5 Industry Forum.

**Member organizations more than 30 days past due on any outstanding IIUSA invoice will be unable to vote until the invoices are paid or a payment plan is established.*

***Due to a stipulation in IIUSA's [bylaws](#), a maximum of 1 Service Provider candidate can fill the open Directors seats in this year's election.*
