Join us in 2027 as we capitalize on a record-breaking year to expand EB-5 knowledge, foster new relationships, and build a stronger, more connected global EB-5 community. Don't miss the opportunity to be part of this exciting journey and gain exposure in the markets that matter most.

The IIUSA EB-5 Event Passport Series enters its fifth year in 2027, building directly on the momentum of a record-breaking 2026.

Following a historic year of growth, IIUSA remains committed to capitalizing on that success by further driving education and global business development. The Series continues to set the standard as the premier global platform for the EB-5 industry. Having hosted events in over thirty of the most active and emerging EB-5 markets worldwide, the Series has **connected thousands of prospective investors, international service providers, and IIUSA members**, and the momentum is only growing.

2027 is positioned to be one of the most pivotal years yet for EB-5 marketing and strategic expansion. As global investor interest accelerates and key program milestones approach, there is no better time to join IIUSA on the road and ensure your organization is front and center in the world's top investor markets.

What Members Are Saying

"IIUSA membership has enhanced our credibility and visibility within the EB-5 community. Through its networking events and advocacy initiatives, we've built valuable partnerships and remained compliant with evolving policies. The research and educational resources provided by IIUSA have also helped us make more informed business decisions and serve our clients better."

- Jaclyn Do
Founder
Worldwide Path

"As someone deeply involved in the EB-5 space across Latin America, I've seen firsthand the growing demand for credible, structured, and well-supported information about U.S. investment immigration. IIUSA's Passport Series has played a pivotal role in bringing the EB-5 program to the forefront in key LATAM markets, from Bogotá to São Paulo and Curitiba and beyond."

- Mila de Olano
VP LATAM
EB5AN

"I'm grateful to IIUSA for hosting such a well-organized and timely event in Hong Kong. It was a privilege to speak on the panel and contribute to meaningful discussions about current trends and opportunities shaping the EB-5 industry in today's rapidly changing global environment."

- Todd Jackson
Senior Advisor
Yingzhong & Company/ Yingzhong Law Offices

"It was great to participate in the recent Southeast Asia IIUSA Passport Series events in Hong Kong, Singapore and Hanoi. American Life, Inc has sponsored the Passport Series events regularly over the last few years, giving us the opportunity to both speak on panels and exhibit at the event. We have leveraged these events to position American Life, and its leadership, as EB-5 industry experts and at the forefront of efforts to both extend and improve the EB-5 Regional Center program. Through the Passport Series we have met individuals and formed alliances that have resulted in productive agency relationships and new investors into American Life projects."

- Darrell Sanders
VP, Investment Programs
American Life, Inc.

"Attending the IIUSA Southeast Asia Passport Series events in Hong Kong, Hanoi, and Singapore was an incredibly valuable experience. Each stop offered thoughtful programming, strong engagement and the opportunity to meet with various top-tier regional partners such as local agents, private bankers, cross border planners. I appreciated the chance to represent Peachtree Group and our EB-5 platform and look forward to deepening the relationships started during the series."

- Victor Espinosa
Vice President, Global Business Development
Peachtree Group

"IIUSA's offline events offer exceptional networking opportunities. Attending these events allows me to connect with industry experts and colleagues, fostering meaningful discussions that lead to valuable insights. The relationships I build through these interactions significantly enhance my professional network and provide opportunities for collaboration and growth."
